

The IRSEA is pleased to announce that it will host its 1st International Congress and workshops on Behavioural Medicine and Semiochemistry from November 15th – 17th 2012 in Apt.

This Congress will, once again, offer an innovative platform of specialists in the behavioural medicine, semiochemistry, animal welfare and therapeutics domain.

Internationally renowned colleagues in the field of behaviour but also in the other fields hereunder will be present.

Both submitted research presentations and invited speakers will be featured.

We welcome submissions on the themes cited hereunder. These should be submitted in English and include the title of the proposed contribution, the nature of the contribution – talk or poster, the names and full contact details of the contributors and an abstract of no more than 250 words. The deadline for abstract submissions is April 30th 2012.

Please find the themes for submitted abstract hereafter:

Neurophysiology and Semio-chemical Perception

Behavioural medicine

Sustainable Management of Competitor Species

Husbandry

The final selection will be communicated by May 15th 2012.

Attachment and Early Interactions

Chemical Communication

Animal Welfare

Biomolecular aspects of Chemical Communication

Host/ Parasite Interactions

Stress Evaluation and Management

Workshops will also be proposed, to treat the following subjects “Evaluation and Management of Stress in Sport horses”, “The challenges of the indoor cat: nuisances and cohabitation; what can the Vet do?” and “Cannibalism in Pigs and Poultry”.

A “Student Award” will be attributed to the best poster submitted by a student and will be judged by the scientific committee and invited speakers.

The Symposium will take place at the Hôtel Castel Luberon in Apt; town situated in the south-eastern part of France, approximately 50 kilometres from the centre of Avignon and 85 kilometres from Marseille city centre.

The official languages for this congress will be English and French.

If you wish to receive further information regarding this congress, please send us your personal details at congress2012@irsea.info and we will keep you informed.

Please do not hesitate to forward this flyer.
